

To whom it may concern:

I am writing today to recommend Mr. Matt Larson for your teaching position.

Matt has taught two of my children at Butte Central Catholic High School. I have found Mr. Larson to be a wonderful teacher. He is young and enthusiastic and has brought new ideas and techniques to the students. Matt has a way of connecting with the students and opening their minds to thoughtfulness while seeing both sides of an issue and having healthy debate.

I own a Charter Bus Service and have had the opportunity to drive Mr. Larson and his Speech and Debate team on a trip. Mr. Larson is great with the team. They are safe and cared for, they are challenged to learn and succeed in a positive and supportive way.

I wish Mr. Larson the very best and I recommend him for your teaching position.

Sincerely,

Dan
