

**Letter of Recommendation for Mr. Matthew Larson**

Butte, MT

10/23/2017

Dear Sir/madam,

I have known Mt Larson for a period of two years. I had the opportunity to observe him very closely in my capacity of Chaplain of Butte Central Catholic High School and Pastor of the Parish that he attends and in which he volunteers.

Matthew Larson is a very intelligent individual, with great intellectual curiosity. His observations and commentaries on a variety of philosophical, cultural, social and historical topics demonstrate substantial knowledge and a rare ability to think deeply.

In class his teaching style is energetic and compelling. It captivates and inspires his students and consistently earns the respect of his principal and colleagues.

In the context of a stressful and delicate situation I found his response to be measured, respectful of the school leadership and wise.

He is a man of strong moral fiber and impeccable values. My experience of him invariably confirms his motivation, reliability and trustworthiness.

It is my pleasure to recommend him enthusiastically and without reservation.

Should you wish to review this letter with me, I place myself at your disposal. I can be contacted by phone or email.

Yours truly,

Father Patrick Beretta
