To Whom It May Concern:

I am writing this letter as a reference for Mr. Matthew Larson. He is a second year Social Studies teacher at Butte Central Catholic High School. As the principal at BCCHS I am accountable for the performance of Mr. Larson.

Mr. Larson has proven to be an enthusiastic and creative teacher. He has exhibited zeal, extensive background knowledge, outstanding instructional skills, and a professional attitude. He is a positive role model who brings a genuine spiritual presence.

He has displayed high expectations for himself and his students. He strives to make the very most of 180 pupil instruction school days. His lessons are always creative yet practical and productive. He has established an environment where his students are consistently on task, well behaved, and respectful.

Mr. Larson is well on his way to becoming a master teacher who will have a positive impact on his students' lives both academically and socially. His skills and enthusiasm without question make him an asset to any learning community. We are fortunate to have Mr. Larson as a teacher at BCCHS. It is my pleasure to recommend him for a teaching position within your school.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kevin St. John', with a long horizontal flourish extending to the right.

Kevin St. John,
BCCHS Principal
